BERKAY ÖZDEMİR
SAP ABAP S/4HANA, S/4HANA Public/Private Cloud & BTP Developer
Istanbul, Turkey | +90 (536) 646 5746 | brkyzdmr@gmail.com
Date of Birth: 08 September 1996

WORK EXPERIENCE

SAP ABAP Consultant, Arete Consulting - Istanbul, TR June 2022 – Present

- Designed and implemented SAP S/4HANA solutions across on-premise, Public/Private Cloud, and BTP environments, ensuring scalable and consistent architecture
- Developed OData services using ABAP Cloud and built Fiori-compatible backend logic, improving data accessibility and user experience
- Delivered the POS Transactions e-Solution Package, establishing reusable and productized solution architecture
- Managed SAP BTP integrations (abapGit, communication scenarios, background jobs), ensuring reliable connectivity and deployment consistency
- Developed custom applications, reports (ALV), and enhancements across FI, SD, MM, PP, EWM, and related modules, supporting business processes end-to-end
- Implemented BAPI, BAdI, User Exit, and Enhancement Framework solutions, enabling flexible and extensible system design
- Performed debugging, performance optimization, and code improvements, enhancing system efficiency and stability
- Built service-oriented applications using RAP and modern ABAP tools (ADT), supporting scalable and cloud-ready development
- Designed output solutions (Smart Forms, Adobe Forms) and contributed to public cloud migration and post-go-live support
